WILLIAM T. WALSH, CLERK**

My name is Steven Mayer, and I am writing to file an objection to the proposed settlement in the case of Cannon v. Ashburn Corporation d/b/a Wines 'Til Sold Out.

My claim ID is 10029763. My PIN is 332070.

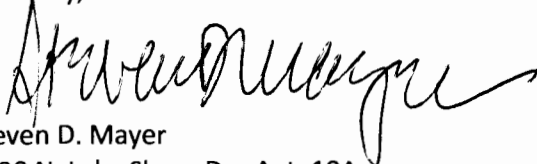

The reason for my objection is this: During the period 2012-2016, I purchased 250 bottles of wine from WTSO (see attached list). Though it may be true that the stated "Original Price" and therefore the discounts advertised by WTSO were inflated, the fact is that WTSO always delivered the wines I wanted at the prices they advertised, which I believed to be fair.

I was never disappointed with the quality of the wines or the service provided by WTSO, and I do not believe they ever took advantage of me or other wine buyers. In fact, over the years, I recommended WTSO to many of my wine-drinking friends and associates in the restaurant business.

I understand that if the settlement is approved as proposed, I will still be eligible for my share of settlement relief, however I hope the court determines that no damage was done and no settlement is required.

Thank you for your consideration of my objection.

Sincerely,

Steven D. Mayer
